Linking of Consumer Cooperatives with Marketing

- ❖ Cooperative Marketing Societies are working with tie-up of Cooperative Whole sale stores.
- ❖ By procuring the farmers produce, processing it and selling it through Cooperative Whole Sale Stores (by Agricultural Producers Cooperative Marketing Societies) consumers are able to get quality products at reasonable price and the farmers in turn get a remunerative price for the produce.

(iv) Linking of Credit with Marketing

- ❖ The members of Primary Agricultural cooperative Credit Societies are enrolled as the members of Agricultural Producers Cooperative Marketing Societies.
- ❖ The Agricultural Producers Cooperative Marketing Societies assist in the sales of their Agricultural produce.
- ❖ These efforts help the Primary Agricultural cooperative Credit Societies to recover loans besides assisting the farmer members in selling their produce at higher price.

Procurement of Copra under Price Support Scheme (PSS)

- ❖ Whenever market price of copra is low, copra procurement will be undertaken at the Minimum Support Price by Tamil Nadu Cooperative Marketing Federation by acting as a State level agency on behalf of NAFED.
